Essential English for Travelling

A decorative border at the bottom of the page features stylized green and blue foliage, including various leaf shapes and a yellow wavy line representing a horizon or ground.

Travel Vocabulary

The background of the slide is a vibrant tropical sunset. It features a large, bright yellow sun in the center, partially obscured by the silhouettes of several palm trees. The sky is a gradient of warm colors, from light orange near the horizon to a deeper pink at the top. Several small, dark silhouettes of birds are scattered across the sky, adding to the tropical feel. The overall composition is clean and visually appealing, designed to introduce a travel-themed vocabulary.
